DOCKET NO. W-02034A-11-0194

IN THE MATTER OF THE APPLICATION OF
CIENEGA WATER COMPANY, INC. FOR
APPROVAL OF A FINANCING APPLICATION.

DOCKET NO. W-02034A-11-0195

PROCEDURAL ORDER

BY THE COMMISSION:

On May 9, 2011, Cienega Water Company ("CWC" or "Company") filed with the Arizona Corporation Commission ("Commission") an Application for a rate increase.

The same date, CWC filed a Financing Application, seeking Commission approval of its request to borrow \$50,000 from the Water Infrastructure Finance Authority ("WIFA").

On June 8, 2011, the Commission's Utilities Division ("Staff") notified the Company that its rate application was not sufficient under the requirements of A.A.C. R14-2-103.

On November 7, 2011, Staff notified the Company that its rate application was sufficient and classified the Company as a Class E utility.

On December 5, 2011, Staff filed a Motion to Consolidate the two dockets on the grounds that they are substantially related and no parties' rights would be prejudiced by consolidation.

On December 6, 2011, the Company filed a request to suspend the time clock contained in A.A.C. R14-2-103 because the Company's former accountant was not well, and the current accountant was having trouble obtaining all the information needed to process the rate case.

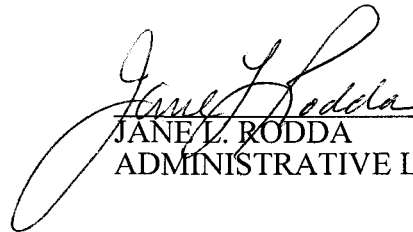

The rate case and financing application are substantially related and consolidation will promote judicial efficiency and not prejudice any party's rights. Suspension of the time clock comes at the Company's request and appears reasonable under the circumstances expressed.

1 IT IS THEREFORE ORDERED that the **above-captioned matters are consolidated.**

2 IT IS FURTHER ORDERED that there being good cause, the **time clock** for a final Order set
3 forth in A.A.C. R14-2-103, is **suspended indefinitely.**

4 IT IS FURTHER ORDERED that the Presiding Officer may rescind, alter, amend, or waive
5 any portion of this Procedural Order either by subsequent Procedural Order or by ruling at hearing.

6 DATED this 12th day of December, 2011.
